

## The Pony Club

Would you like to become a Member of the biggest equestrian youth organization in the world? Then why not join The Pony Club!

Who are we? Established in 1929 The Pony Club has 80 years experience in training, competitions and fun. We currently have 50,000 members in the UK alone, catering for young riders of all abilities across the country. The Pony Club is a training organization for both boys and girls, under 25 years of age that gives you the opportunity to take part in rallies, train for Pony Club Tests and earn Achievement Badges. We are also a family organization, and as well as training young riders, we also offer a brilliant social calendar for those looking to support Members, from fence judging at The Pony Championships to catching up with the Pony Club year at The Annual Conference.

Wondering How to get Started? If you own a pony and have your own transport, then you can become a Member of one of our 347 Pony Club Branches, but don't worry if you're just starting out or are used to a riding school environment, as you can still join through one of our 500 Pony Club linked Centres.

Is the Pony Club for you? The Pony Club is the only equestrian organisation to cover every discipline including Dressage, Show Jumping, Eventing, Mounted Games, Pony Racing, Polo, Polocrosse, Tetrathlon and Endurance, so you can find out what you enjoy most, or why not try something new?

Above all The Pony Club is an organization where you can make friends and have a lot of fun!

Interested in joining? Go to <http://www.pcuk.org/Getting-Started/Join-Now/> and use the map to search for your nearest Branch or Centre, spread across The Pony Club's 19 Areas, then simply download a Membership form and send it to the Branch or Centre you have chosen. If you're not sure which Branch or Centre is the one for you, then just pick up the phone and we will be more than happy to help you decide what's right for you.

What will it cost? Memberships for 2009 are £50 for a Branch Membership and £22 for a Centre Membership. For more information on The Pony Club visit the website [www.pcuk.org](http://www.pcuk.org) or call **024 7669 8300**
